

Nail poster  
Theme: Carnival

In this category competitor shows itself as someone who makes an advertisement for nails. Theme: Carnival – a time of celebration and festivals during the Easter fasting. It is usually celebrated during February and March. The celebration mainly consists of public celebration or parade during which participants wear masks and rejoice, dance and at that time the circus shows are presented and many other skills.

The main figure of the carnival is always the clown. He gives a rhythm throughout the entire parade and to whole show. It continues afterwards all over the place in which the carnival is developing.

Almost every country in the world has its own carnival which was developed in a specific scenario and which has already become tradition in certain cities through many years. The best known carnival in the world is in Rio de Janeiro, Brazil.

Glow and glamor of the event attracts tourists from all over the world to come to Brazil. The competitor may use any segment of the event as idea and try to transfer the atmosphere through work and complete composition of the work.

The main things that need to be shown in the poster should be nails. They should be very good and clear to see and should be the basic element of the composition.

At the same time, professionalism and complete imaging of the theme are assessed. The same expression can be made on the model of course, but it is not necessary. Both of hands should be represented in the composition, one hand is not an error, but most certainly, the advantage in the disputed situations will have more beautiful composition.

Rules:

1. All techniques in modeling nails and design can be used.
2. The form is a choice of the competitor, but it should be identical on all nails.
